## **Call for NIRI National Board Candidates**

NIRI's success is driven by member volunteers at all levels. Those of you involved with local NIRI chapters, for example, know how critical it is to have highly motivated volunteers leading these groups in order for them to thrive. Outstanding volunteers are the lifeblood of our organization, and influence every benefit NIRI offers including community, information, professional development, and advocacy.

This is why we are now asking for your thoughtful nominations for candidates to serve a four-year term on the NIRI National [Board of Directors](#) from 2017 through 2020. Nominees must be IR practitioners and prepared to serve actively on the Board for their full term, including four in-person meetings per year and periodic conference calls. They should possess significant experience in the practice of investor relations, as well as substantial corporate business experience. They must also have evidenced a strong interest in and commitment to advancing the practice and recognition of the profession of investor relations.

Nominations are being accepted through August 19, 2016. Board Nomination Forms are available to download via the NIRI website's [Board of Directors](#) page. If you have any questions about NIRI Board eligibility or the nomination process, please feel free to contact our Board Secretary, Mike McGough, at [mmcgough@niri.org](mailto:mmcgough@niri.org), or 703.562.7673.

Best regards,  
Matt
