

NIRI Speaker Agreement

The National Investor Relations Institute (NIRI) conducts many meetings and events at which educational presentations are made to attendees. NIRI requires all presenters at these meetings and events to provide a release and license to NIRI. This release and license form by the speaker identified below (the "Speaker") is for the presentation described below, including any and all related comments, handouts, illustrations, references, or other related materials (the "Presentation").

The Speaker grants to NIRI a license to record the Presentation using audio or video recording equipment or other electronic means, and grants to NIRI a nonexclusive, irrevocable, worldwide license to reproduce, distribute, and/or sell audio and video recordings, transcripts, and/or any other created work prepared and distributed by the Speaker in connection with the Presentation. The license also gives NIRI the right to publish part or all of any transcripts of the Presentation and any handouts or related materials in NIRI publications, which may be published or distributed in various print or electronic media (including via the internet).

The Speaker warrants and represents that the Presentation, handouts, and related materials do not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Presentation, handouts, and related materials are the Speaker's own original work, that the Speaker (or his or her organization) is the sole owner of the copyright; and that the Speaker has full power to grant this license; that the Speaker has obtained all necessary permissions from any persons or organizations whose materials are included with the handouts and related materials; and that there are no rights outstanding that would diminish, encumber, or impair the full enjoyment or exercise of this license granted to NIRI.

The Speaker further authorizes NIRI to use the Speaker's name, likeness, photograph, and biographical data in connection with the use and promotion of any aspect of the Presentation or related materials. It is understood that the Speaker will not receive any royalty or other monetary compensation from NIRI for the license and subsequent use by NIRI. The Speaker understand that this license does not prohibit the Speaker from using the materials in the future in the Speaker's professional or personal work.

The Speaker agrees to comply fully with all rules, regulations, policies, and procedures of NIRI in connection with the preparation and delivery of the Presentation, including but not limited to, the required deadlines for submissions and disclosures of commercial interests or conflicts of interest.
